

| <b>Hardware List</b> | <b>Description</b>  | <b>MSRP</b> |
|----------------------|---|-------------|
| <b>MS-6100E</b>      | Outdoor Help Station, Standard Ethernet and Mesh Communication Included                         | \$2,690.00  |
| <b>MS-6100EL</b>     | Outdoor Help Station - Standard Ethernet and Mesh Communication Included - License Included     | \$2,830.00  |
| <b>MS-6100W</b>      | Outdoor Help Station - Standard WiFi and Mesh Communication Included                            | \$2,790.00  |
| <b>MS-6100WL</b>     | Outdoor Help Station - Standard WiFi and Mesh Communication Included - License Included         | \$2,930.00  |
| <b>MS-5100EP</b>     | Indoor Help Station - Standard Ethernet, POE and Mesh Communication Included                    | \$1,295.00  |
| <b>MS-5100EPL</b>    | Indoor Help Station - Standard Ethernet, POE and Mesh Communication Included - License Included | \$1,433.00  |
| <b>MS-5100W</b>      | Indoor Help Station - Standard WiFi, POE and Mesh Communication Included                        | \$1,395.00  |
| <b>MS-5100WPL</b>    | Indoor Help Station - Standard WiFi, POE and Mesh Communication Included - License Included     | \$1,533.00  |
| <b>MS-IBFSNL</b>     | USB Foot Switch with Guard. USB Interface Box Included  | \$175.00    |
| <b>MS-IBFS</b>       | USB Foot Switch with Guard. USB Interface Box Included - License Included                       | \$205.00    |
| <b>MS-BSU0</b>       | Building Supervisory Unit - RPMSA connection for external antenna                               | \$2,100.00  |
| <b>MS-BSU1</b>       | Building Supervisory Unit - Antenna mounted on BSU unit   | \$2,100.00  |
| <b>MD-ETH-IO16</b>   | IP-to-I/O device  | \$675.00    |

|                  |  |            |
|------------------|--|------------|
| <b>MS-MIMO</b>   | Mesh Interface Module - RPSMA Connector for external antenna                             | \$300.00   |
| <b>MS-MIM1</b>   | Mesh Interface Module - Internal Antenna   | \$300.00   |
| <b>MS-EMPOLE</b> | Blue Pole with Emergency, Blue Strobe Included, 24vDC                                    | \$4,100.00 |
| <b>MS-6100MB</b> | Mounting Brackets, Retrofit for Existing Emergency Poles                                 | \$380.00   |
| <b>MS-SEM</b>    | Standard Ethernet Module, plug in add-on, legacy   | \$195.00   |
| <b>MS-POEM</b>   | Power over Ethernet Module, plug in add-on, legacy                                       | \$100.00   |
| <b>MS-PS25A</b>  | Power Supply 24vDC output, 2.5amp, 120 VAC input, 13" x 12" x3" metal enclosure included | \$275.00   |
| <b>MS-PS15A</b>  | Power Supply, 24vDC, 1.5amp output, 120 VAC input, Din Rail Mounted                      | \$100.00   |
| <b>MS-PS1A</b>   | Power Supply 15 VDC, 1amp output, 120 VAC input, plug-in "wall wart" style               | \$85.00    |
| <b>PS-24-04</b>  | Power supply for IP-to-I/O device  | \$26.00    |
| <b>MS-ANT1DB</b> | Omni Antenna 1dB - RP/SMA connector, 6" cable attached                                   | \$75.00    |
| <b>MS-ANT3DB</b> | Omni Antenna 3dB - External or Internally Mounted, N connector                           | \$350.00   |
| <b>MS-ANT6DB</b> | Omni Antenna 6dB - External or Internally Mounted, N connector                           | \$400.00   |
| <b>MS-YAG8DB</b> | Yagi Directional Antenna, 8 dB, N connector  | \$350.00   |
| <b>MS-FMRBDS</b> | FM-RBDS Generator  | \$2,995.00 |
| <b>MS-ES5PDN</b> | 5 Port Switch - 24vdc, Din Rail Mounted - option for 6100 units                          | \$225.00   |
| <b>MS-BKFM1</b>  | Wall Mount Bracket For MS-ANT3DB or MS-ANT6DB antennas                                   | \$60.00    |

|                  |  |             |
|------------------|--|-------------|
| <b>MS-BKFM2</b>  | Corner Mount Bracket For MS-ANT3DB or MS-ANT6DB antennas               | \$80.00     |
| <b>MS-RLY01</b>  | Internal Form C-Relay, Din Rail Mount (MS-6100)                        | \$45.00     |
| <b>MS-BLT01</b>  | Replacement Blue Light (MS-6100)                                       | \$500.00    |
| <b>MS-CNFSMA</b> | RPSMA Plug Female RG58, Mate to MIM and BSU                            | \$12.30     |
| <b>MS-CNM58A</b> | N Male Connector RG58, Mate to Lightning Arrestor                      | \$12.30     |
| <b>MS-CNMATX</b> | N Male Connector ATX400, Mate to Antenna and Lightning Arrestor        | \$12.30     |
| <b>MS-CNLTA3</b> | Lightning Arrestor, N-female to N-female, 3000MHZ                      | \$15.00     |
| <b>MS-CNLTA6</b> | Lightning Arrestor, N-female to N-female, 6000MHZ                      | \$17.00     |
| <b>MS-CCSEXP</b> | Command Center Software - Express - 8 Station Capacity                 | \$1,500.00  |
| <b>MS-CCSLTE</b> | Command Center Software - Lite - 20 Stations                           | \$3,000.00  |
| <b>MS-CCSPRO</b> | Command Center Software - Professional - 40 Stations 1 Driver Included | \$6,000.00  |
| <b>MS-CCSCOR</b> | Command Center Software - Corporate - 70 Stations 1 Driver Included    | \$8,000.00  |
| <b>MS-CCSENT</b> | Command Center Software - Enterprise - 100+ Stations 1 Driver Included | \$12,000.00 |
| <b>MS-CCSUPG</b> | Command Center Software - Upgrade - Custom                             | Custom      |
| <b>MS-DPUPB</b>  | Client desktop pop-up/panic button software license (per endpoint)     | \$23.25     |
| <b>MS-IPPL</b>   | IP phone Command Center License (per endpoint)                         | \$31.00     |
| <b>MS-CCPB</b>   | Command Center Driver - Panic Button Add-On                            | \$2,000.00  |
| <b>MS-CCDE2C</b> | Command Center Driver - E2Campus Add-on                                | \$2,000.00  |
| <b>MS-CCDPCD</b> | Command Center Driver - PC Desktop Add-on                              | \$2,000.00  |
| <b>MS-CCDSWN</b> | Command Center Driver - Send Word Now Add-on                           | \$2,000.00  |

|                  |  |   |
|------------------|--|---|
| <b>MS-CCDFAB</b> | Command Center Driver - Facebook Add-on  | \$2,000.00                                |
| <b>MS-CCDTWT</b> | Command Center Driver - Twitter Add-on   | \$2,000.00                                |
| <b>MS-CCDMHS</b> | Command Center Driver - Motorola Add-on  | \$2,000.00                                |
| <b>MS-CCDCAP</b> | Command Center Driver - CAP Messages Add-on  | \$2,000.00                                |
| <b>MS-CCDCSP</b> | Command Center Driver - Cisco Phone Add-on   | \$2,000.00                                |
| <b>MS-CCDNOA</b> | Command Center Driver - NOAA Add-on  | \$2,000.00                                |
| <b>MS-CCDVID</b> | Command Center Driver - Video Add-on   | \$2,000.00                                |
| <b>MS-CCDACC</b> | Command Center Driver - Access Control Add-on  | \$2,000.00                                |
| <b>MS-CCDFIR</b> | Command Center Driver - Fire Add-on  | \$2,000.00                                |
| <b>MS-CCDFMR</b> | FM-RBDS Driver Add-on  | \$2,000.00                                |
| <b>MS-CCDCUS</b> | Custom Driver, Specified at time of order  | \$3,000.00                                |
| <b>MS-CCSOSV</b> | Customer on Site Support Visit, 1 Person for 8 Hr Day, Travel NOT Included                               | \$2,500.00                                |
| <b>MS-CCSS1Y</b> | Command Center Software Support 1 year, Includes all upgrades  | 15% MSRP/year                             |
| <b>MS-HWS1Y</b>  | Metis Secure Hardware Support 1 year, Replacement & Remote Support                                       | 5% MSRP/year                              |
| <b>MS-SWHWW</b>  | Metis Secure Combined Software Support and Hardware Warranty, 1 year                                     | 15% Software MSRP + 5% Hardware MSRP/year |
| <b>MS-CSONST</b> | Customer Training, 1 day, Up to (4) 2-Hr Classes, Limit 6 people per class, On-Site, Travel NOT Included | \$2,000.00                                |
| <b>MS-CSMETC</b> | Training, 2-Hr Class, Limit 6 people per class. At Metis Secure Office                                   | \$500.00                                  |
| <b>MS-CSRTHR</b> | Customer Remote Technical Support Hourly. Setup and Programming  | \$150.00                                  |
| <b>MS-CSAFHR</b> | Customer After Hours Emergency Technical Support Hourly  | \$250.00                                  |

|                 |   |          |
|-----------------|---|----------|
| <b>MS-CMCBS</b> | Custom Message Creation Base Session              | \$650.00 |
| <b>MS-CMCP</b>  | Custom Message Creation Per Prompt                | \$15.00  |
| <b>MS-FPRS</b>  | Floor Plan Review and Setup                       | \$500.00 |
| <b>MS-FPCHR</b> | Floor Plan Customization Hourly                   | \$150.00 |
| <b>MS-SCSSU</b> | Software Configuration and System Setup<br>Hourly | \$150.00 |
